The Class of 1924 graduated 100 years ago. This month we feature these graduates in the composite class photograph provided by the son of Ruth Reed (Patterson) Gleichman.

The "Gold Specs" yearbook does not contain photographs or full names of any of the senior members of the class.

Visit the [Class of 1924 page](#) to see more information about members of this class.

The [Class Roster Page](#) contains the names of members of this class. It would be great if someone could match the classmate names to the photograph of the

graduates in the composite.
