Dear Sue:

I am a volunteer on the Ilion Days Committee and this year, I compiled a web site which showcases the annual Summer celebration. Each year, the Committee selects a community project, which will be the focus and beneficiary of the funds raised by the events. This year, the focus is the Ilion Public Library.

As part of our website, I would like to feature some of the photographs copyrighted by The Herkimer Country Historical Society. I have Volume 7, No.4 1992 edition of "Legacy Annals of Herkimer County". In this edition, there is an extensive article with photographs, authored by Jane Spellman, which featured the Ilion Public Library. I contacted Jane about obtaining permission to reproduce the photographs of the library on our web site. Jane Spellman suggested that I contact you with my request. Enclosed are two hardcopies of web pages that reference this subject. The web page with the aforementioned photographs of the library is at URL:

www.geocities.com/~ilionny/library.html

This page is linked to from the Ilion Days Mission statement home page and from an Ilion High School Alumni web page that features historical pictures of Ilion, New York. Please let me know if it is agreeable with you to use these images. If you decide that you do not want the images on the pages, I will remove them immediately.

Very truly yours,

Aileen Sweeney
